(2) If the rate prescribed in paragraph (1) exceeds the rate such savings association would be permitted to charge in the absence of this subsection, the receiving or charging a greater rate of interest than that prescribed by paragraph (1), when knowingly done, shall be deemed a forfeiture of the entire interest which the extension of credit carries with it, or which has been agreed to be paid thereon. If such greater rate of interest has been paid, the person who paid it may recover, in a civil action commenced in a court of appropriate jurisdiction not later than 2 years after the date of such payment, an amount equal to twice the amount of the interest paid from the savings association taking or receiving such interest.

(1) to provide for the organization, incorporation, examination, operation, and regulation of associations to be known as Federal savings associations (including Federal savings banks), and

(2) to issue charters therefor,

giving primary consideration of the best practices of thrift institutions in the United States. The lending and investment powers conferred by this section are intended to encourage such institutions to provide credit for housing safely and soundly.

(b) DEPOSITS AND RELATED POWERS.—

(1) DEPOSIT ACCOUNTS.—

(A) Subject to the terms of its charter and regulations of the Comptroller of the Currency, a Federal savings association may—

(i) raise funds through such deposit, share, or other accounts, including demand deposit accounts (hereafter in this section referred to as “accounts”); and

(B) A Federal savings association may not permit any overdraft (including an intraday overdraft) on behalf of an affiliate, or incur any such overdraft in such savings association's account at a Federal reserve bank or Federal home loan bank on behalf of an affiliate.

All savings accounts and demand accounts shall have the same priority upon liquidation. Holders of accounts and obligors of a Federal savings association shall, to such extent as may be provided by its charter or by regulations of the Comptroller of the Currency, be members of the savings association, and shall have such voting rights and such other rights as are thereby provided.

(C) A Federal savings association may require not less than 14 days notice prior to payment of savings accounts if the charter of the savings association or the regulations of the Comptroller of the Currency so provide.

Except as authorized in writing by the Comptroller of the Currency, any Federal savings association that fails to make full payment of any withdrawal when due shall be deemed to be in an unsafe or unsound condition.

Such courts shall have jurisdiction and power to order and require compliance with any such subpoena.

(vi) In any proceeding under this section, the appropriate Federal banking agency may administer oaths and affirmations, take depositions, and issue subpoenas. The Comptroller may prescribe regulations with respect to any such proceedings. The attendance of witnesses and the production of documents provided for in this subsection may be required from any place in any State or in any territory at any designated place where such proceeding is being conducted.

(vii) Any party to a proceeding under this section may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district (or the United States court in any territory) in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpoena issued pursuant to this subsection or section 10(c) of the Federal Deposit Insurance Act, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. All expenses of the appropriate Federal banking agency in connection with this section shall be considered as non-administrative expenses. Any court having jurisdiction of any proceeding instituted under this section by a savings association, or a director or officer thereof, may allow to any such party reasonable expenses and attorneys' fees. Such expenses and fees shall be paid by the savings association.

(2) CONSERVATORSHIPS AND RECEIVERSHIPS.—

(A) GROUNDS FOR APPOINTING CONSERVATOR OR RECEIVER FOR INSURED SAVINGS ASSOCIATION.—The appropriate Federal banking agency may appoint a conservator or receiver for an insured savings association if the appropriate Federal banking agency determines, in the discretion of the appropriate Federal banking agency, that 1 or more of the grounds specified in section 11(c)(5) of the Federal Deposit Insurance Act exists.

(B) POWER OF APPOINTMENT; JUDICIAL REVIEW.—The appropriate Federal banking agency shall have exclusive power and jurisdiction to appoint a conservator or receiver for a Federal savings association. If, in the opinion of the appropriate Federal banking agency, a ground for the appointment of a conservator or receiver for a savings asso-

ciation exists, the appropriate Federal banking agency is authorized to appoint ex parte and without notice a conservator or receiver for the savings association. In the event of such appointment, the association may, within 30 days thereafter, bring an action in the United States district court for the judicial district in which the home office of such association is located, or in the United States District Court for the District of Columbia, for an order requiring the appropriate Federal banking agency to remove such conservator or receiver, and the court shall upon the merits dismiss such action or direct the appropriate Federal banking agency to remove such conservator or receiver. Upon the commencement of such an action, the court having jurisdiction of any other action or proceeding authorized under this subsection to which the association is a party shall stay such action or proceeding during the pendency of the action for removal of the conservator or receiver.

(C) REPLACEMENT.—The appropriate Federal banking agency may, without any prior notice, hearing, or other action, replace a conservator with another conservator or with a receiver, but such replacement shall not affect any right which the association may have to obtain judicial review of the original appointment, except that any removal under this subparagraph shall be removal of the conservator or receiver in office at the time of such removal.

(D) COURT ACTION.—Except as otherwise provided in this subsection, no court may take any action for or toward the removal of any conservator or receiver or, except at the request of the appropriate Federal banking agency, to restrain or affect the exercise of powers or functions of a conservator or receiver.

(E) POWERS.—

(i) IN GENERAL.—A conservator shall have all the powers of the members, the stockholders, the directors, and the officers of the association and shall be authorized to operate the association in its own name or to conserve its assets in the manner and to the extent authorized by the appropriate Federal banking agency.

(ii) FDIC AS CONSERVATOR OR RECEIVER.—Except as provided in section 21A of the Federal Home Loan Bank Act, the appropriate Federal banking agency, at the Director's discretion, may appoint the Federal Deposit Insurance Corporation as conservator for a savings association. The appropriate Federal banking agency shall appoint only the Federal Deposit Insurance Corporation as receiver for a savings association for the purpose of liquidation or winding up the affairs of such savings association. The conservator or receiver so appointed shall, as such, have power to buy at its own sale. The Federal Deposit Insurance Corporation, as such conservator or receiver, shall have all the powers of a conservator or receiver, as appro-

priate, granted under the Federal Deposit Insurance Act, and (when not inconsistent therewith) any other rights, powers, and privileges possessed by conservators or receivers, as appropriate, of savings associations under this Act and any other provisions of law.

(F) DISCLOSURE REQUIREMENT FOR THOSE ACTING ON BEHALF OF CONSERVATOR.—A conservator shall require that any independent contractor, consultant, or counsel employed by the conservator in connection with the conservatorship of a savings association pursuant to this section shall fully disclose to all parties with which such contractor, consultant, or counsel is negotiating, any limitation on the authority of such contractor, consultant, or counsel to make legally binding representations on behalf of the conservator.

(3) REGULATIONS.—

(A) IN GENERAL.—The Comptroller may prescribe regulations for the reorganization, consolidation, liquidation, and dissolution of savings associations, for the merger of insured savings associations with insured savings associations, for savings associations in conservatorship and receivership, and for the conduct of conservatorships and receiverships. The Comptroller may, by regulation or otherwise, provide for the exercise of functions by members, stockholders, directors, or officers of a savings association during conservatorship and receivership.

(B) FDIC AS CONSERVATOR OR RECEIVER.—In any case where the Federal Deposit Insurance Corporation is the conservator or receiver, any regulations prescribed by the Comptroller shall be consistent with any regulations prescribed by the Federal Deposit Insurance Corporation pursuant to the Federal Deposit Insurance Act.

(4) REFUSAL TO COMPLY WITH DEMAND.—Whenever a conservator or receiver appointed by the appropriate Federal banking agency demands possession of the property, business, and assets of any savings association, or of any part thereof, the refusal by any director, officer, employee, or agent of such association to comply with the demand shall be punishable by a fine of not more than \$5,000 or imprisonment for not more than one year, or both.

(5) DEFINITIONS.—As used in this subsection, the term “savings association” includes any savings association or former savings association that retains deposits insured by the Corporation, notwithstanding termination of its status as an institution insured by the Corporation.

(6) COMPLIANCE WITH MONETARY TRANSACTION RECORD-KEEPING AND REPORT REQUIREMENTS.—

(A) COMPLIANCE PROCEDURES REQUIRED.—The Comptroller shall prescribe regulations requiring savings associations to establish and maintain procedures reasonably designed to assure and monitor the compliance of such associations with the requirements of subchapter II of chapter 53 of title 31, United States Code.

(B) EXAMINATIONS OF SAVINGS ASSOCIATIONS TO INCLUDE REVIEW OF COMPLIANCE PROCEDURES.—

(i) IN GENERAL.—Each examination of a savings association by the appropriate Federal banking agency shall include a review of the procedures required to be established and maintained under subparagraph (A).

(ii) EXAM REPORT REQUIREMENT.—The report of examination shall describe any problem with the procedures maintained by the association.

(C) ORDER TO COMPLY WITH REQUIREMENTS.—If the appropriate Federal banking agency determines that a savings association—

(i) has failed to establish and maintain the procedures described in subparagraph (A); or

(ii) has failed to correct any problem with the procedures maintained by such association which was previously reported to the association by the appropriate Federal banking agency,

the appropriate Federal banking agency shall issue an order under section 8 of the Federal Deposit Insurance Act requiring such association to cease and desist from its violation of this paragraph or regulations prescribed under this paragraph.

(7) REGULATION AND EXAMINATION OF SAVINGS ASSOCIATION SERVICE COMPANIES, SUBSIDIARIES, AND SERVICE PROVIDERS.—

(A) GENERAL EXAMINATION AND REGULATORY AUTHORITY.—A service company or subsidiary that is owned in whole or in part by a savings association shall be subject to examination and regulation by the appropriate Federal banking agency to the same extent as that savings association.

(B) EXAMINATION BY OTHER BANKING AGENCIES.—The appropriate Federal banking agency may authorize any other Federal banking agency that supervises any other owner of part of the service company or subsidiary to perform an examination described in subparagraph (A).

(C) APPLICABILITY OF SECTION 8 OF THE FEDERAL DEPOSIT INSURANCE ACT.—A service company or subsidiary that is owned in whole or in part by a saving association shall be subject to the provisions of section 8 of the Federal Deposit Insurance Act as if the service company or subsidiary were an insured depository institution. In any such case, the Federal Deposit Insurance Corporation or the Comptroller, as appropriate, shall be deemed to be the appropriate Federal banking agency, pursuant to section 3(q) of the Federal Deposit Insurance Act.

(D) SERVICE PERFORMED BY CONTRACT OR OTHERWISE.—Notwithstanding subparagraph (A), if a savings association, a subsidiary thereof, or any savings and loan affiliate or entity, as identified by section 8(b)(9) of the Federal Deposit Insurance Act, that is regularly examined or subject to examination by the appropriate Federal banking agency, causes to be performed for itself, by contract or otherwise, any service authorized under this Act or, in the

case of a State savings association, any applicable State law, whether on or off its premises—

(i) such performance shall be subject to regulation and examination by the appropriate Federal banking agency to the same extent as if such services were being performed by the savings association on its own premises; and

(ii) the savings association shall notify the appropriate Federal banking agency of the existence of the service relationship not later than 30 days after the earlier of—

(I) the date on which the contract is entered into; or

(II) the date on which the performance of the service is initiated.

(E) ADMINISTRATION BY THE COMPTROLLER AND THE CORPORATION.—The Comptroller may issue such regulations, and the appropriate Federal banking agency may issue such orders, including those issued pursuant to section 8 of the Federal Deposit Insurance Act, as may be necessary to administer and carry out this paragraph and to prevent evasion of this paragraph.

(8) DEFINITIONS.—For purposes of this section—

(A) the term “service company” means—

(i) any corporation—

(I) that is organized to perform services authorized by this Act or, in the case of a corporation owned in part by a State savings association, authorized by applicable State law; and

(II) all of the capital stock of which is owned by 1 or more insured savings associations; and

(ii) any limited liability company—

(I) that is organized to perform services authorized by this Act or, in the case of a company, 1 of the members of which is a State savings association, authorized by applicable State law; and

(II) all of the members of which are 1 or more insured savings associations;

(B) the term “limited liability company” means any company, partnership, trust, or similar business entity organized under the law of a State (as defined in section 3 of the Federal Deposit Insurance Act) that provides that a member or manager of such company is not personally liable for a debt, obligation, or liability of the company solely by reason of being, or acting as, a member or manager of such company; and

(C) the terms “State savings association” and “subsidiary” have the same meanings as in section 3 of the Federal Deposit Insurance Act.

(e) CHARACTER AND RESPONSIBILITY.—A charter may be granted only—

(1) to persons of good character and responsibility,

(2) if in the judgment of the Comptroller a necessity exists for such an institution in the community to be served,

(3) if there is a reasonable probability of its usefulness and success, and

(4) if the association can be established without undue injury to properly conducted existing local thrift and home financing institutions.

(f) **FEDERAL HOME LOAN BANK MEMBERSHIP.**—After the end of the 6-month period beginning on the date of the enactment of the Federal Home Loan Bank System Modernization Act of 1999, a Federal savings association may become a member of the Federal Home Loan Bank System, and shall qualify for such membership in the manner provided by the Federal Home Loan Bank Act.

(g) **[Repealed.]**

(h) **DISCRIMINATORY STATE AND LOCAL TAXATION PROHIBITED.**—No State, county, municipal, or local taxing authority may impose any tax on Federal savings associations or their franchise, capital, reserves, surplus, loans, or income greater than that imposed by such authority on other similar local mutual or cooperative thrift and home financing institutions.

(i) **CONVERSIONS.**—

(1) **IN GENERAL.**—Any savings association which is, or is eligible to become, a member of a Federal home loan bank may convert into a Federal savings association (and in so doing may change directly from the mutual form to the stock form, or from the stock form to the mutual form). Such conversion shall be subject to such regulations as the Comptroller shall prescribe. Thereafter such Federal savings association shall be entitled to all the benefits of this section and shall be subject to examination and regulation to the same extent as other associations incorporated pursuant to this Act.

(2) **AUTHORITY OF COMPTROLLER.**—(A) No savings association may convert from the mutual to the stock form, or from the stock form to the mutual form, except in accordance with the regulations of the Comptroller.

(B) Any aggrieved person may obtain review of a final action of the Comptroller which approves or disapproves a plan of conversion pursuant to this subsection only by complying with the provisions of section 10(j) of this Act within the time limit and in the manner therein prescribed, which provisions shall apply in all respects as if such final action were an order the review of which is therein provided for, except that such time limit shall commence upon publication of notice of such final action in the Federal Register or upon the giving of such general notice of such final action as is required by or approved under regulations of the Comptroller, whichever is later.

(C) Any Federal savings association may change its designation from a Federal savings association to a Federal savings bank, or the reverse.

(3) **CONVERSION TO STATE ASSOCIATION.**—(A) Any Federal savings association may convert itself into a savings association or savings bank organized pursuant to the laws of the State in which the principal office of such Federal savings association is located if—

(i) the State permits the conversion of any savings association or savings bank of such State into a Federal savings association;

(ii) such conversion of a Federal savings association into such a State savings association is determined—

(I) upon the vote in favor of such conversion cast in person or by proxy at a special meeting of members or stockholders called to consider such action, specified by the law of the State in which the home office of the Federal savings association is located, as required by such law for a State-chartered institution to convert itself into a Federal savings association, but in no event upon a vote of less than 51 percent of all the votes cast at such meeting, and

(II) upon compliance with other requirements reciprocally equivalent to the requirements of such State law for the conversion of a State-chartered institution into a Federal savings association;

(iii) notice of the meeting to vote on conversion shall be given as herein provided and no other notice thereof shall be necessary; the notice shall expressly state that such meeting is called to vote thereon, as well as the time and place thereof; and such notice shall be mailed, postage prepaid, at least 30 and not more than 60 days prior to the date of the meeting, to the Comptroller and to each member or stockholder of record of the Federal savings association at the member's or stockholder's last address as shown on the books of the Federal savings association;

(iv) when a mutual savings association is dissolved after conversion, the members or shareholders of the savings association will share on a mutual basis in the assets of the association in exact proportion to their relative share or account credits;

(v) when a stock savings association is dissolved after conversion, the stockholders will share on an equitable basis in the assets of the association; and

(vi) such conversion shall be effective upon the date that all the provisions of this Act shall have been fully complied with and upon the issuance of a new charter by the State wherein the savings association is located.

(B)(i) The act of conversion constitutes consent by the institution to be bound by all the requirements that the Comptroller may impose under this Act.

(ii) The savings association shall upon conversion and thereafter be authorized to issue securities in any form currently approved at the time of issue by the Comptroller for issuance by similar savings associations in such State.

(iii) If the insurance of accounts is terminated in connection with such conversion, the notice and other action shall be taken as provided by law and regulations for the termination of insurance of accounts.

(4) SAVINGS BANK ACTIVITIES.—(A) To the extent authorized by the Comptroller, but subject to section 18(m)(3) of the Federal Deposit Insurance Act—

(i) any Federal savings bank chartered as such prior to October 15, 1982, may continue to make any investment or engage in any activity not otherwise authorized under this section, to the degree it was permitted to do so as a Federal savings bank prior to October 15, 1982; and

(ii) any Federal savings bank in existence on the date of the enactment of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 and formerly organized as a mutual savings bank under State law may continue to make any investment or engage in any activity not otherwise authorized under this section, to the degree it was authorized to do so as a mutual savings bank under State law.

(B) The authority conferred by this paragraph may be utilized by any Federal savings association that acquires, by merger or consolidation, a Federal savings bank enjoying grandfather rights hereunder.

(5) CONVERSION TO NATIONAL OR STATE BANK.—

(A) IN GENERAL.—Any Federal savings association chartered and in operation before the date of enactment of the Gramm-Leach-Bliley Act, with branches in operation before such date of enactment in 1 or more States, may convert, at its option, with the approval of the Comptroller for each national bank, and with the approval of the appropriate State bank supervisor and the appropriate Federal banking agency for each State bank, into 1 or more national or State banks, each of which may encompass 1 or more of the branches of the Federal savings association in operation before such date of enactment in 1 or more States subject to subparagraph (B).

(B) CONDITIONS OF CONVERSION.—The authority in subparagraph (A) shall apply only if each resulting national or State bank—

(i) will meet all financial, management, and capital requirements applicable to the resulting national or State bank; and

(ii) if more than 1 national or State bank results from a conversion under this subparagraph, has received approval from the Federal Deposit Insurance Corporation under section 5(a) of the Federal Deposit Insurance Act.

(C) NO MERGER APPLICATION UNDER FDIA REQUIRED.—No application under section 18(c) of the Federal Deposit Insurance Act shall be required for a conversion under this paragraph.

(D) DEFINITIONS.—For purposes of this paragraph, the terms “State bank” and “State bank supervisor” have the same meanings as in section 3 of the Federal Deposit Insurance Act.

(6) LIMITATION ON CERTAIN CONVERSIONS BY FEDERAL SAVINGS ASSOCIATIONS.—A Federal savings association may not convert to a State bank or State savings association during any period in which the Federal savings association is subject to a cease and desist order (or other formal enforcement order)

issued by, or a memorandum of understanding entered into with, the Office of Thrift Supervision or the Comptroller of the Currency with respect to a significant supervisory matter.

(j) **[Repealed.]**

(k) **DEPOSITORY OF PUBLIC MONEY.**—When designated for that purpose by the Secretary of the Treasury, a savings association the deposits of which are insured by the Corporation shall be a depository of public money and may be employed as fiscal agent of the Government under such regulations as may be prescribed by the Secretary and shall perform all such reasonable duties as fiscal agent of the Government as may be required of it. A savings association the deposits of which are insured by the Corporation may act as agent for any other instrumentality of the United States when designated for that purpose by such instrumentality, including services in connection with the collection of taxes and other obligations owed the United States, and the Secretary of the Treasury may deposit public money in any such savings association, and shall prescribe such regulations as may be necessary to carry out the purposes of this subsection.

(l) **RETIREMENT ACCOUNTS.**—A Federal savings association is authorized to act as trustee of any trust created or organized in the United States and forming part of a stock bonus, pension, or profit-sharing plan which qualifies or qualified for specific tax treatment under section 401(d) of the Internal Revenue Code of 1986 and to act as trustee or custodian of an individual retirement account within the meaning of section 408 of such Code if the funds of such trust or account are invested only in savings accounts or deposits in such Federal savings association or in obligations or securities issued by such Federal savings association. All funds held in such fiduciary capacity by any Federal savings association may be commingled for appropriate purposes of investment, but individual records shall be kept by the fiduciary for each participant and shall show in proper detail all transactions engaged in under this paragraph.

(m) **BRANCHING.**—

(1) **IN GENERAL.**—

(A) No savings association incorporated under the laws of the District of Columbia or organized in the District or doing business in the District shall establish any branch or move its principal office or any branch without the Director's prior written approval.

(B) No savings association shall establish any branch in the District of Columbia or move its principal office or any branch in the District without the Director's prior written approval.

(2) **DEFINITION.**—For purposes of this subsection the term “branch” means any office, place of business, or facility, other than the principal office as defined by the Comptroller, of a savings association at which accounts are opened or payments are received or withdrawals are made, or any other office, place of business, or facility of a savings association defined by the Comptroller as a branch within the meaning of such sentence.

(n) **TRUSTS.**—

(1) PERMITS.—The Comptroller may grant by special permit to a Federal savings association applying therefor the right to act as trustee, executor, administrator, guardian, or in any other fiduciary capacity in which State banks, trust companies, or other corporations which compete with Federal savings associations are permitted to act under the laws of the State in which the Federal savings association is located. Subject to the regulations of the Comptroller, service corporations may invest in State or federally chartered corporations which are located in the State in which the home office of the Federal savings association is located and which are engaged in trust activities.

(2) SEGREGATION OF ASSETS.—A Federal savings association exercising any or all of the powers enumerated in this section shall segregate all assets held in any fiduciary capacity from the general assets of the association and shall keep a separate set of books and records showing in proper detail all transactions engaged in under this subsection. The State banking authority involved may have access to reports of examination made by the Comptroller insofar as such reports relate to the trust department of such association but nothing in this subsection shall be construed as authorizing such State banking authority to examine the books, records, and assets of such associations.

(3) PROHIBITIONS.—No Federal savings association shall receive in its trust department deposits of current funds subject to check or the deposit of checks, drafts, bills of exchange, or other items for collection or exchange purposes. Funds deposited or held in trust by the association awaiting investment shall be carried in a separate account and shall not be used by the association in the conduct of its business unless it shall first set aside in the trust department United States bonds or other securities approved by the Comptroller.

(4) SEPARATE LIEN.—In the event of the failure of a Federal savings association, the owners of the funds held in trust for investment shall have a lien on the bonds or other securities so set apart in addition to their claim against the estate of the association.

(5) DEPOSITS.—Whenever the laws of a State require corporations acting in a fiduciary capacity to deposit securities with the State authorities for the protection of private or court trusts, Federal savings associations so acting shall be required to make similar deposits. Securities so deposited shall be held for the protection of private or court trusts, as provided by the State law. Federal savings associations in such cases shall not be required to execute the bond usually required of individuals if State corporations under similar circumstances are exempt from this requirement. Federal savings associations shall have power to execute such bond when so required by the laws of the State involved.

(6) OATHS AND AFFIDAVITS.—In any case in which the laws of a State require that a corporation acting as trustee, executor, administrator, or in any capacity specified in this section, shall take an oath or make an affidavit, the president, vice

president, cashier, or trust officer of such association may take the necessary oath or execute the necessary affidavit.

(7) CERTAIN LOANS PROHIBITED.—It shall be unlawful for any Federal savings association to lend any officer, director, or employee any funds held in trust under the powers conferred by this section. Any officer, director, or employee making such loan, or to whom such loan is made, may be fined not more than \$50,000 or twice the amount of that person's gain from the loan, whichever is greater, or may be imprisoned not more than 5 years, or may be both fined and imprisoned, in the discretion of the court.

(8) FACTORS TO BE CONSIDERED.—In reviewing applications for permission to exercise the powers enumerated in this section, the Comptroller may consider—

(A) the amount of capital of the applying Federal savings association,

(B) whether or not such capital is sufficient under the circumstances of the case,

(C) the needs of the community to be served, and

(D) any other facts and circumstances that seem to it proper.

The Comptroller may grant or refuse the application accordingly, except that no permit shall be issued to any association having capital less than the capital required by State law of State banks, trust companies, and corporations exercising such powers.

(9) SURRENDER OF CHARTER.—(A) Any Federal savings association may surrender its right to exercise the powers granted under this subsection, and have returned to it any securities which it may have deposited with the State authorities, by filing with the Comptroller a certified copy of a resolution of its board of directors indicating its intention to surrender its right.

(B) Upon receipt of such resolution, the Comptroller, if satisfied that such Federal savings association has been relieved in accordance with State law of all duties as trustee, executor, administrator, guardian or other fiduciary, may in the Director's discretion, issue to such association a certificate that such association is no longer authorized to exercise the powers granted by this subsection.

(C) Upon the issuance of such a certificate by the Comptroller, such Federal savings association (i) shall no longer be subject to the provisions of this section or the regulations of the Comptroller made pursuant thereto, (ii) shall be entitled to have returned to it any securities which it may have deposited with State authorities, and (iii) shall not exercise thereafter any of the powers granted by this section without first applying for and obtaining a new permit to exercise such powers pursuant to the provisions of this section.

(D) The Comptroller may prescribe regulations necessary to enforce compliance with the provisions of this subsection.

(10) REVOCATION.—(A) In addition to the authority conferred by other law, if, in the opinion of the Comptroller, a Federal savings association is unlawfully or unsoundly exercising, or has unlawfully or unsoundly exercised, or has failed

for a period of 5 consecutive years to exercise, the powers granted by this subsection or otherwise fails or has failed to comply with the requirements of this subsection, the Comptroller may issue and serve upon the association a notice of intent to revoke the authority of the association to exercise the powers granted by this subsection. The notice shall contain a statement of the facts constituting the alleged unlawful or unsound exercise of powers, or failure to exercise powers, or failure to comply, and shall fix a time and place at which a hearing will be held to determine whether an order revoking authority to exercise such powers should issue against the association.

(B) Such hearing shall be conducted in accordance with the provisions of subsection (d)(1)(B), and subject to judicial review as therein provided, and shall be fixed for a date not earlier than 30 days and not later than 60 days after service of such notice unless the Comptroller sets an earlier or later date at the request of any Federal savings association so served.

(C) Unless the Federal savings association so served shall appear at the hearing by a duly authorized representative, it shall be deemed to have consented to the issuance of the revocation order. In the event of such consent, or if upon the record made at any such hearing, the Comptroller shall find that any allegation specified in the notice of charges has been established, the Comptroller may issue and serve upon the association an order prohibiting it from accepting any new or additional trust accounts and revoking authority to exercise any and all powers granted by this subsection, except that such order shall permit the association to continue to service all previously accepted trust accounts pending their expeditious divestiture or termination.

(D) A revocation order shall become effective not earlier than the expiration of 30 days after service of such order upon the association so served (except in the case of a revocation order issued upon consent, which shall become effective at the time specified therein), and shall remain effective and enforceable, except to such extent as it is stayed, modified, terminated, or set aside by action of the Comptroller or a reviewing court.

(o) CONVERSION OF STATE SAVINGS BANKS.—(1) Subject to the provisions of this subsection and under regulations of the Comptroller, the Comptroller may authorize the conversion of a State-chartered savings bank into a Federal savings bank, if such conversion is not in contravention of State law, and provide for the organization, incorporation, operation, examination, and regulation of such institution.

(2)(A) Any Federal savings bank chartered pursuant to this subsection shall continue to be insured by the Deposit Insurance Fund.

(B) The Comptroller shall notify the Corporation of any application under this Act for conversion to a Federal charter by an institution insured by the Corporation, shall consult with the Corporation before disposing of the application, and shall notify the

Corporation of the determination of the Comptroller with respect to such application.

(C) Notwithstanding any other provision of law, if the Corporation determines that conversion into a Federal stock savings bank or the chartering of a Federal stock savings bank is necessary to prevent the default of a savings bank it insured or to reopen a savings bank in default that it insured, or if the Corporation determines, with the concurrence of the Comptroller, that severe financial conditions exist that threaten the stability of a savings bank insured by the Corporation and that such a conversion or charter is likely to improve the financial condition of such savings bank, the Corporation shall provide the Comptroller with a certificate of such determination, the reasons therefor in conformance with the requirements of this Act, and the bank shall be converted or chartered by the Comptroller, pursuant to the regulations thereof, from the time the Corporation issues the certificate.

(D) A bank may be converted under subparagraph (C) only if the board of trustees of the bank—

(i) has specified in writing that the bank is in danger of closing or is closed, or that severe financial conditions exist that threaten the stability of the bank and a conversion is likely to improve the financial condition of the bank; and

(ii) has requested in writing that the Corporation use the authority of subparagraph (C).

(E)(i) Before making a determination under subparagraph (D), the Corporation shall consult the State bank supervisor of the State in which the bank in danger of closing is chartered. The State bank supervisor shall be given a reasonable opportunity, and in no event less than 48 hours, to object to the use of the provisions of subparagraph (D).

(ii) If the State supervisor objects during such period, the Corporation may use the authority of subparagraph (D) only by an affirmative vote of three-fourths of the Board of Directors. The Board of Directors shall provide the State supervisor, as soon as practicable, with a written certification of its determination.

(3) A Federal savings bank chartered under this subsection shall have the same authority with respect to investments, operations, and activities, and shall be subject to the same restrictions, including those applicable to branching and discrimination, as would apply to it if it were chartered as a Federal savings bank under any other provision of this Act.

(p) CONVERSIONS.—(1) Notwithstanding any other provision of law, and consistent with the purposes of this Act, the Comptroller may authorize (or in the case of a Federal savings association, require) the conversion of any mutual savings association or Federal mutual savings bank that is insured by the Corporation into a Federal stock savings association or Federal stock savings bank, or charter a Federal stock savings association or Federal stock savings bank to acquire the assets of, or merge with such a mutual institution under the regulations of the Comptroller.

(2) Authorizations under this subsection may be made only—

(A) if the Comptroller has determined that severe financial conditions exist which threaten the stability of an association

and that such authorization is likely to improve the financial condition of the association,

(B) when the Corporation has contracted to provide assistance to such association under section 13 of the Federal Deposit Insurance Act, or

(C) to assist an institution in receivership.

(3) A Federal savings bank chartered under this subsection shall have the same authority with respect to investments, operations and activities, and shall be subject to the same restrictions, including those applicable to branching and discrimination, as would apply to it if it were chartered as a Federal savings bank under any other provision of this Act, and may engage in any investment, activity, or operation that the institution it acquired was engaged in if that institution was a Federal savings bank, or would have been authorized to engage in had that institution converted to a Federal charter.

(q) TYING ARRANGEMENTS.—(1) A savings association may not in any manner extend credit, lease, or sell property of any kind, or furnish any service, or fix or vary the consideration for any of the foregoing, on the condition or requirement—

(A) that the customer shall obtain additional credit, property, or service from such savings association, or from any service corporation or affiliate of such association, other than a loan, discount, deposit, or trust service;

(B) that the customer provide additional credit, property, or service to such association, or to any service corporation or affiliate of such association, other than those related to and usually provided in connection with a similar loan, discount, deposit, or trust service; and

(C) that the customer shall not obtain some other credit, property, or service from a competitor of such association, or from a competitor of any service corporation or affiliate of such association, other than a condition or requirement that such association shall reasonably impose in connection with credit transactions to assure the soundness of credit.

(2)(A) Any person may sue for and have injunctive relief, in any court of the United States having jurisdiction over the parties, against threatened loss or damage by reason of a violation of paragraph (1), under the same conditions and principles as injunctive relief against threatened conduct that will cause loss or damage is granted by courts of equity and under the rules governing such proceedings.

(B) Upon the execution of proper bond against damages for an injunction improvidently granted and a showing that the danger of irreparable loss or damage is immediate, a preliminary injunction may issue.

(3) Any person injured by a violation of paragraph (1) may bring an action in any district court of the United States in which the defendant resides or is found or has an agent, without regard to the amount in controversy, or in any other court of competent jurisdiction, and shall be entitled to recover three times the amount of the damages sustained, and the cost of suit, including a reasonable attorney's fee. Any such action shall be brought within 4 years from the date of the occurrence of the violation.

(4) Nothing contained in this subsection affects in any manner the right of the United States or any other party to bring an action under any other law of the United States or of any State, including any right which may exist in addition to specific statutory authority, challenging the legality of any act or practice which may be proscribed by this subsection. No regulation or order issued by the Board under this subsection shall in any manner constitute a defense to such action.

(5) For purposes of this subsection, the term "loan" includes obligations and extensions or advances of credit.

(6)³ EXCEPTIONS.—The Board may, by regulation or order, permit such exceptions to the prohibitions of this subsection as the Board in consultation with the Comptroller and the Corporation, considers will not be contrary to the purposes of this subsection and which conform to exceptions granted by the Board pursuant to section 106(b) of the Bank Holding Company Act Amendments of 1970.

(r) OUT-OF-STATE BRANCHES.—(1) No Federal savings association may establish, retain, or operate a branch outside the State in which the Federal savings association has its home office, unless the association qualifies as a domestic building and loan association under section 7701(a)(19) of the Internal Revenue Code of 1986 or meets the asset composition test imposed by subparagraph (C) of that section on institutions seeking so to qualify, or qualifies as a qualified thrift lender, as determined under section 10(m) of this Act. No out-of-State branch so established shall be retained or operated unless the total assets of the Federal savings association attributable to all branches of the Federal savings association in that State would qualify the branches as a whole, were they otherwise eligible, for treatment as a domestic building and loan association under section 7701(a)(19) or as a qualified thrift lender, as determined under section 10(m) of this Act, as applicable.

(2) The limitations of paragraph (1) shall not apply if—

(B) the branch was authorized for the Federal savings association prior to October 15, 1982;

(C) the law of the State where the branch is located, or is to be located, would permit establishment of the branch if the association was a savings association or savings bank chartered by the State in which its home office is located; or

(D) the branch was operated lawfully as a branch under State law prior to the association's conversion to a Federal charter.

(3) The Comptroller of the Currency, for good cause shown, may allow Federal savings associations up to 2 years to comply with the requirements of this subsection.

(2) MINIMUM CAPITAL LEVELS MAY BE DETERMINED BY DIRECTOR CASE-BY-CASE.—The Comptroller of the Currency⁴ may, consistent with subsection (t), establish the minimum level of capital for a savings association at such amount or at such ratio of capital-to-assets as the Comptroller of the Currency⁴ determines to be necessary or appropriate for such association in light of the particular circumstances of the association.

(3) UNSAFE OR UNSOUND PRACTICE.—In the discretion of the appropriate Federal banking agency, the appropriate Federal banking agency, may treat the failure of any savings association to maintain capital at or above the minimum level required by the Comptroller under this subsection or subsection (t) as an unsafe or unsound practice.

(4) DIRECTIVE TO INCREASE CAPITAL.—

(A) PLAN MAY BE REQUIRED.—In addition to any other action authorized by law, including paragraph (3), the appropriate Federal banking agency may issue a directive requiring any savings association which fails to maintain capital at or above the minimum level required by the appropriate Federal banking agency to submit and adhere to a plan for increasing capital which is acceptable to the appropriate Federal banking agency.

(B) ENFORCEMENT OF PLAN.—Any directive issued and plan approved under subparagraph (A) shall be enforceable under section 8 of the Federal Deposit Insurance Act to the same extent and in the same manner as an outstanding order which was issued under section 8 of the Federal Deposit Insurance Act and has become final.

(5) PLAN TAKEN INTO ACCOUNT IN OTHER PROCEEDINGS.—The appropriate Federal banking agency may—

(A) consider a savings association's progress in adhering to any plan required under paragraph (4) whenever such association or any affiliate of such association (including any company which controls such association) seeks the approval of the appropriate Federal banking agency for any proposal which would have the effect of diverting earnings, diminishing capital, or otherwise impeding such association's progress in meeting the minimum level of capital required by the appropriate Federal banking agency; and

(B) disapprove any proposal referred to in subparagraph (A) if the appropriate Federal banking agency deter-

- (C) RISK-BASED CAPITAL REQUIREMENT.—Notwithstanding paragraph (1)(C), the risk-based capital requirement prescribed under paragraph (1) may deviate from the risk-based capital standards applicable to national banks to reflect interest-rate risk or other risks, but such deviations shall not, in the aggregate, result in materially lower levels of capital being required of savings associations under the risk-based capital requirement than would be required under the risk-based capital standards applicable to national banks.
- (3) **【Repealed.】**
- (4) **【Repealed.】**
- (5) SEPARATE CAPITALIZATION REQUIRED FOR CERTAIN SUBSIDIARIES.—
- (A) IN GENERAL.—In determining compliance with capital standards prescribed under paragraph (1), all of a savings association's investments in and extensions of credit to any subsidiary engaged in activities not permissible for a national bank shall be deducted from the savings association's capital.
- (B) EXCEPTION FOR AGENCY ACTIVITIES.—Subparagraph (A) shall not apply with respect to a subsidiary engaged, solely as agent for its customers, in activities not permissible for a national bank unless the appropriate Federal banking agency, in the sole discretion of the ap-

appropriate Federal banking agency, determines that, in the interests of safety and soundness, this subparagraph should cease to apply to that subsidiary.

(6) CONSEQUENCES OF FAILING TO COMPLY WITH CAPITAL STANDARDS.—

(A) **[Reserved.]**

(B) ON OR AFTER JANUARY 1, 1991.—On or after January 1, 1991, the appropriate Federal banking agency—

(i) shall prohibit any asset growth by any savings association not in compliance with capital standards, except as provided in subparagraph (C); and

(ii) shall require any savings association not in compliance with capital standards to comply with a capital directive issued by the appropriate Federal banking agency (which may include such restrictions, including restrictions on the payment of dividends and on compensation, as the appropriate Federal banking agency determines to be appropriate).

(B) EFFECT OF GRANT OF EXEMPTION.—If the appropriate Federal banking agency approves any savings association's application under subparagraph (A), the only sanction or penalty to be imposed by the appropriate Federal banking agency under this Act for the savings association's failure to comply with the capital standards pre-

scribed under paragraph (1) is the growth limitation contained in paragraph (6)(B) or paragraph (6)(C), whichever is applicable.

(C) STANDARDS FOR APPROVAL OR DISAPPROVAL.—

(h) ADDITIONAL INFORMATION.—Any savings association and any affiliate of any savings association shall provide the appropriate Federal banking agency with access to any information or report with respect to any examination made by any public regulatory authority and furnish any additional information with respect thereto as the appropriate Federal banking agency may require.

Such amendment probably should have included the word “upon” between the words “or” and “application” in the matter proposed to be struck; however, it was executed to reflect the probable intent of Congress.

nection with a qualified stock issuance if the purchase of such stock by such savings and loan holding company is approved by the Board pursuant to subsection (q)(1)(D).

(H) Any activity that is permissible for a financial holding company (as such term is defined under section 2(p) of the Bank Holding Company Act of 1956 (12 U.S.C. 1841(p)) to conduct under section 4(k) of the Bank Holding Company Act of 1956 if—

(3) CERTAIN LIMITATIONS ON ACTIVITIES NOT APPLICABLE TO CERTAIN HOLDING COMPANIES.—Notwithstanding paragraphs (4) and (6) of this subsection, the limitations contained in subparagraphs (B) and (C) of paragraph (1) shall not apply to any savings and loan holding company (or any subsidiary of such company) which controls—

(A) only 1 savings association, if the savings association subsidiary of such company is a qualified thrift lender (as determined under subsection (m)); or

(B) more than 1 savings association, if—

(i) all, or all but 1, of the savings association subsidiaries of such company were initially acquired by the company or by an individual who would be deemed to control such company if such individual were a company—

(I) pursuant to an acquisition under section 13(c) or 13(k) of the Federal Deposit Insurance Act or section 408(m) of the National Housing Act; or

(II) pursuant to an acquisition in which assistance was continued to a savings association under section 13(i) of the Federal Deposit Insurance Act; and

(4) PRIOR APPROVAL OF CERTAIN NEW ACTIVITIES REQUIRED.—

(A) IN GENERAL.—No savings and loan holding company and no subsidiary which is not a savings association shall commence, either de novo or by an acquisition (in whole or in part) of a going concern, any activity described

in paragraph (2)(F)(i) of this subsection without the prior approval of the Board.

(B) FACTORS TO BE CONSIDERED.—In considering any application under subparagraph (A) by any savings and loan holding company or any subsidiary of any such company which is not a savings association, the Board shall consider—

(i) whether the performance of the activity described in such application by the company or the subsidiary can reasonably be expected to produce benefits to the public (such as greater convenience, increased competition, or gains in efficiency) that outweigh possible adverse effects of such activity (such as undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound financial practices);

(ii) the managerial resources of the companies involved; and

(iii) the adequacy of the financial resources, including capital, of the companies involved.

(C) DIRECTOR MAY DIFFERENTIATE BETWEEN NEW AND ONGOING ACTIVITIES.—In prescribing any regulation or considering any application under this paragraph, the Board may differentiate between activities commenced de novo and activities commenced by the acquisition, in whole or in part, of a going concern.

(D) APPROVAL OR DISAPPROVAL BY ORDER.—The approval or disapproval of any application under this paragraph by the Board shall be made in an order issued by the Board containing the reasons for such approval or disapproval.

(5) GRACE PERIOD TO ACHIEVE COMPLIANCE.—If any savings association referred to in paragraph (3) fails to maintain the status of such association as a qualified thrift lender, the Board may allow, for good cause shown, any company that controls such association (or any subsidiary of such company which is not a savings association) up to 3 years to comply with the limitations contained in paragraph (1)(C).

(6) SPECIAL PROVISIONS RELATING TO CERTAIN COMPANIES AFFECTED BY 1987 AMENDMENTS.—

(A) EXCEPTION TO 2-YEAR GRACE PERIOD FOR ACHIEVING COMPLIANCE.—Notwithstanding paragraph (1)(C), any company which received approval under subsection (e) of this section to acquire control of a savings association between March 5, 1987, and August 10, 1987, shall not continue any business activity other than an activity described in paragraph (2) after August 10, 1987.

(B) EXEMPTION FOR ACTIVITIES LAWFULLY ENGAGED IN BEFORE MARCH 5, 1987.—Notwithstanding paragraph (1)(C) and subject to subparagraphs (C) and (D), any savings and loan holding company which received approval, before March 5, 1987, under subsection (e) of this section to acquire control of a savings association may engage, directly or through any subsidiary (other than a savings associa-

tion subsidiary of such company), in any activity in which such company or such subsidiary was lawfully engaged on such date.

(C) TERMINATION OF SUBPARAGRAPH (B) EXEMPTION.—The exemption provided under subparagraph (B) for activities engaged in by any savings and loan holding company or a subsidiary of such company (which is not a savings association) which would otherwise be prohibited under paragraph (1)(C) shall terminate with respect to such activities of such company or subsidiary upon the occurrence (after August 10, 1987) of any of the following:

(i) The savings and loan holding company acquires control of a bank or an additional savings association (other than a savings association acquired pursuant to section 13(c) or 13(k) of the Federal Deposit Insurance Act or section 406(f) or 408(m) of the National Housing Act).

(ii) Any savings association subsidiary of the savings and loan holding company fails to qualify as a domestic building and loan association under section 7701(a)(19) of the Internal Revenue Code of 1986.

(I) which is not described in paragraph (2); and

(II) in which it was not engaged on March 5, 1987.

(iv) Any savings association subsidiary of the savings and loan holding company increases the number of locations from which such savings association conducts business after March 5, 1987 (other than an increase which occurs in connection with a transaction under section 13(c) or (k) of the Federal Deposit Insurance Act or section 408(m) of the National Housing Act).

(v) Any savings association subsidiary of the savings and loan holding company permits any overdraft (including an intraday overdraft), or incurs any such overdraft in its account at a Federal Reserve bank, on behalf of an affiliate, unless such overdraft is the result of an inadvertent computer or accounting error that is beyond the control of both the savings association subsidiary and the affiliate.

(D) ORDER TO TERMINATE SUBPARAGRAPH (B) ACTIVITY.—Any activity described in subparagraph (B) may also be terminated by the Board, after opportunity for hearing, if the Board determines, having due regard for the purposes of this Act, that such action is necessary to prevent conflicts of interest or unsound practices or is in the public interest.

(7) FOREIGN SAVINGS AND LOAN HOLDING COMPANY.—Notwithstanding any other provision of this section, any savings and loan holding company organized under the laws of a foreign country as of June 1, 1984 (including any subsidiary

thereof which is not a savings association), which controls a single savings association on August 10, 1987, shall not be subject to this subsection with respect to any activities of such holding company which are conducted exclusively in a foreign country.

(8) EXEMPTION FOR BANK HOLDING COMPANIES.—Except for paragraph (1)(A), this subsection shall not apply to any company that is treated as a bank holding company for purposes of section 4 of the Bank Holding Company Act of 1956, or any of its subsidiaries.

(9) PREVENTION OF NEW AFFILIATIONS BETWEEN S&L HOLDING COMPANIES AND COMMERCIAL FIRMS.—

(A) IN GENERAL.—Notwithstanding paragraph (3), no company may directly or indirectly, including through any merger, consolidation, or other type of business combination, acquire control of a savings association after May 4, 1999, unless the company is engaged, directly or indirectly (including through a subsidiary other than a savings association), only in activities that are permitted—

(i) under paragraph (1)(C) or (2) of this subsection;

or

(ii) for financial holding companies under section 4(k) of the Bank Holding Company Act of 1956.

(B) PREVENTION OF NEW COMMERCIAL AFFILIATIONS.—Notwithstanding paragraph (3), no savings and loan holding company may engage directly or indirectly (including through a subsidiary other than a savings association) in any activity other than as described in clauses (i) and (ii) of subparagraph (A).

(C) PRESERVATION OF AUTHORITY OF EXISTING UNITARY S&L HOLDING COMPANIES.—Subparagraphs (A) and (B) do not apply with respect to any company that was a savings and loan holding company on May 4, 1999, or that becomes a savings and loan holding company pursuant to an application pending before the Office on or before that date, and that—

(i) meets and continues to meet the requirements of paragraph (3); and

(ii) continues to control not fewer than 1 savings association that it controlled on May 4, 1999, or that it acquired pursuant to an application pending before the Office on or before that date, or the successor to such savings association.

(D) CORPORATE REORGANIZATIONS PERMITTED.—This paragraph does not prevent a transaction that—

(i) involves solely a company under common control with a savings and loan holding company from acquiring, directly or indirectly, control of the savings and loan holding company or any savings association that is already a subsidiary of the savings and loan holding company; or

(ii) involves solely a merger, consolidation, or other type of business combination as a result of which a company under common control with the savings

and loan holding company acquires, directly or indirectly, control of the savings and loan holding company or any savings association that is already a subsidiary of the savings and loan holding company.

(E) **AUTHORITY TO PREVENT EVASIONS.**—The Board may issue interpretations, regulations, or orders that the Board determines necessary to administer and carry out the purpose and prevent evasions of this paragraph, including a determination (in consultation with the appropriate Federal banking agency) that, notwithstanding the form of a transaction, the transaction would in substance result in a company acquiring control of a savings association.

(F) **PRESERVATION OF AUTHORITY FOR FAMILY TRUSTS.**—Subparagraphs (A) and (B) do not apply with respect to any trust that becomes a savings and loan holding company with respect to a savings association, if—

(i) not less than 85 percent of the beneficial ownership interests in the trust are continuously owned, directly or indirectly, by or for the benefit of members of the same family, or their spouses, who are lineal descendants of common ancestors who controlled, directly or indirectly, such savings association on May 4, 1999, or a subsequent date, pursuant to an application pending before the Office on or before May 4, 1999; and

(ii) at the time at which such trust becomes a savings and loan holding company, such ancestors or lineal descendants, or spouses of such descendants, have directly or indirectly controlled the savings association continuously since May 4, 1999, or a subsequent date, pursuant to an application pending before the Office on or before May 4, 1999.

(d) **TRANSACTIONS WITH AFFILIATES.**—Transactions between any subsidiary savings association of a savings and loan holding company and any affiliate (of such savings association subsidiary) shall be subject to the limitations and prohibitions specified in section 11 of this Act.

(e) **ACQUISITIONS.**—

(1) **IN GENERAL.**—It shall be unlawful for—

(A) any savings and loan holding company directly or indirectly, or through one or more subsidiaries or through one or more transactions—

(i) to acquire, except with the prior written approval of the Board, the control of a savings association or a savings and loan holding company, or to retain the control of such an association or holding company acquired or retained in violation of this section as heretofore or hereafter in effect;

(ii) to acquire, except with the prior written approval of the Board, by the process of merger, consolidation, or purchase of assets, another savings association or a savings and loan holding company, or all or

substantially all of the assets of any such association or holding company;

(iii) to acquire, by purchase or otherwise, or to retain, except with the prior written approval of the Board, more than 5 percent of the voting shares of a savings association not a subsidiary, or of a savings and loan holding company not a subsidiary, or in the case of a multiple savings and loan holding company (other than a company described in subsection (c)(8)), to acquire or retain, and the Board may not authorize acquisition or retention of, more than 5 percent of the voting shares of any company not a subsidiary which is engaged in any business activity other than the activities specified in subsection (c)(2). This clause shall not apply to shares of a savings association or of a savings and loan holding company—

(I) held as a bona fide fiduciary (whether with or without the sole discretion to vote such shares);

(II) held temporarily pursuant to an underwriting commitment in the normal course of an underwriting business;

(III) held in an account solely for trading purposes;

(IV) over which no control is held other than control of voting rights acquired in the normal course of a proxy solicitation;

(V) acquired in securing or collecting a debt previously contracted in good faith, during the 2-year period beginning on the date of such acquisition or for such additional time (not exceeding 3 years) as the Board may permit if the Board determines that such an extension will not be detrimental to the public interest;

(VI) acquired under section 408(m) of the National Housing Act or section 13(k) of the Federal Deposit Insurance Act;

(VII) held by any insurance company, as defined in section 2(a)(17) of the Investment Company Act of 1940, except as provided in paragraph (6); or

(VIII) acquired pursuant to a qualified stock issuance if such purchase is approved by the Board under subsection (q)(1)(D);

except that the aggregate amount of shares held under this clause (other than under subclauses (I), (II), (III), (IV), and (VI)) may not exceed 15 percent of all outstanding shares or of the voting power of a savings association or savings and loan holding company; or

(iv) to acquire the control of an uninsured institution, or to retain for more than one year after February 14, 1968, or from the date on which such control was acquired, whichever is later, except that the Board may upon application by such company extend such one-year period from year to year, for an addi-

tional period not exceeding 3 years, if the Board finds such extension is warranted and is not detrimental to the public interest; and

(B) any other company, without the prior written approval of the Board, directly or indirectly, or through one or more subsidiaries or through one or more transactions, to acquire the control of one or more savings associations, except that such approval shall not be required in connection with the control of a savings association, (i) acquired by devise under the terms of a will creating a trust which is excluded from the definition of "savings and loan holding company" under subsection (a) of this section, (ii) acquired in connection with a reorganization in which a person or group of persons, having had control of a savings association for more than 3 years, vests control of that association in a newly formed holding company subject to the control of the same person or group of persons, or (iii) acquired by a bank holding company that is registered under, and subject to, the Bank Holding Company Act of 1956, or any company controlled by such bank holding company. The Board shall approve an acquisition of a savings association under this subparagraph unless the Board finds the financial and managerial resources and future prospects of the company and association involved to be such that the acquisition would be detrimental to the association or the insurance risk of the Deposit Insurance Fund, and shall render a decision within 90 days after submission to the Board of the complete record on the application.

Consideration of the managerial resources of a company or savings association under subparagraph (B) shall include consideration of the competence, experience, and integrity of the officers, directors, and principal shareholders of the company or association.

(2) FACTORS TO BE CONSIDERED.—The Board shall not approve any acquisition under subparagraph (A)(i) or (A)(ii), or of more than one savings association under subparagraph (B) of paragraph (1) of this subsection, any acquisition of stock in connection with a qualified stock issuance, any acquisition under paragraph (4)(A), or any transaction under section 13(k) of the Federal Deposit Insurance Act, except in accordance with this paragraph. In every case, the Board shall take into consideration the financial and managerial resources and future prospects of the company and association involved, the effect of the acquisition on the association, the insurance risk to the Deposit Insurance Fund, and the convenience and needs of the community to be served, and shall render a decision within 90 days after submission to the Board of the complete record on the application. Consideration of the managerial resources of a company or savings association shall include consideration of the competence, experience, and integrity of the officers, directors, and principal shareholders of the company or association. Before approving any such acquisition, except a transaction under section 13(k) of the Federal Deposit Insurance

Act, the Board shall request from the Attorney General and consider any report rendered within 30 days on the competitive factors involved. The Board shall not approve any proposed acquisition—

(A) which would result in a monopoly, or which would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the savings and loan business in any part of the United States,

(B) the effect of which in any section of the country may be substantially to lessen competition, or tend to create a monopoly, or which in any other manner would be in restraint of trade, unless it finds that the anticompetitive effects of the proposed acquisition are clearly outweighed in the public interest by the probable effect of the acquisition in meeting the convenience and needs of the community to be served,

(C) if the company fails to provide adequate assurances to the Board that the company will make available to the Board such information on the operations or activities of the company, and any affiliate of the company, as the Board determines to be appropriate to determine and enforce compliance with this Act,

(D) in the case of an application involving a foreign bank, if the foreign bank is not subject to comprehensive supervision or regulation on a consolidated basis by the appropriate authorities in the bank's home country, or

(E) in the case of an application by a savings and loan holding company to acquire an insured depository institution, if—

(3) INTERSTATE ACQUISITIONS.—No acquisition shall be approved by the Board under this subsection which will result in the formation by any company, through one or more subsidiaries or through one or more transactions, of a multiple savings and loan holding company controlling savings associations in more than one State, unless—

(A) such company, or a savings association subsidiary of such company, is authorized to acquire control of a savings association subsidiary, or to operate a home or branch office, in the additional State or States pursuant to section 13(k) of the Federal Deposit Insurance Act;

(B) such company controls a savings association subsidiary which operated a home or branch office in the additional State or States as of March 5, 1987; or

(C) the statutes of the State in which the savings association to be acquired is located permit a savings association chartered by such State to be acquired by a savings association chartered by the State where the acquiring savings association or savings and loan holding company is located or by a holding company that controls such a State chartered savings association, and such statutes specifically authorize such an acquisition by language to that effect and not merely by implication.

(4) ACQUISITIONS BY CERTAIN INDIVIDUALS.—

(A) IN GENERAL.—Notwithstanding subsection (h)(2), any director or officer of a savings and loan holding company, or any individual who owns, controls, or holds with power to vote (or holds proxies representing) more than 25 percent of the voting shares of such holding company, may acquire control of any savings association not a subsidiary of such savings and loan holding company with the prior written approval of the Board.

(B) TREATMENT OF CERTAIN HOLDING COMPANIES.—If any individual referred to in subparagraph (A) controls more than 1 savings and loan holding company or more than 1 savings association, any savings and loan holding company controlled by such individual shall be subject to the activities limitations contained in subsection (c) to the same extent such limitations apply to multiple savings and loan holding companies, unless all or all but 1 of the savings associations (including any institution deemed to be a savings association under subsection (l) of this section) controlled directly or indirectly by such individual was acquired pursuant to an acquisition described in subclause (I) or (II) of subsection (c)(3)(B)(i).

(5) ACQUISITIONS PURSUANT TO CERTAIN SECURITY INTERESTS.—This subsection and subsection (c)(2) of this section do not apply to any savings and loan holding company which acquired the control of a savings association or of a savings and loan holding company pursuant to a pledge or hypothecation to secure a loan, or in connection with the liquidation of a loan, made in the ordinary course of business. It shall be unlawful for any such company to retain such control for more than one year after February 14, 1968, or from the date on which such control was acquired, whichever is later, except that the Board may upon application by such company extend such one-year period from year to year, for an additional period not exceeding 3 years, if the Board finds such extension is warranted and would not be detrimental to the public interest.

(6) SHARES HELD BY INSURANCE AFFILIATES.—Shares described in clause (iii)(VII) of paragraph (1)(A) shall not be excluded for purposes of clause (iii) of such paragraph if—

(A) all shares held under such clause (iii)(VII) by all insurance company affiliates of such savings association or savings and loan holding company in the aggregate exceed

5 percent of all outstanding shares or of the voting power of the savings association or savings and loan holding company; or

(g) ADMINISTRATION AND ENFORCEMENT.—

(1) IN GENERAL.—The Board is authorized to issue such regulations and orders, including regulations and orders relating to capital requirements for savings and loan holding companies, as the Board deems necessary or appropriate to enable the Board to administer and carry out the purposes of this section, and to require compliance therewith and prevent evasions thereof. In establishing capital regulations pursuant to this subsection, the appropriate Federal banking agency shall seek to make such requirements countercyclical so that the amount of capital required to be maintained by a company increases in times of economic expansion and decreases in times of economic contraction, consistent with the safety and soundness of the company.

(2) INVESTIGATIONS.—The Board may make such investigations as the Board deems necessary or appropriate to deter-

mine whether the provisions of this section, and regulations and orders thereunder, are being and have been complied with by savings and loan holding companies and subsidiaries and affiliates thereof. For the purpose of any investigation under this section, the Board may administer oaths and affirmations, issue subpoenas, take evidence, and require the production of any books, papers, correspondence, memorandums, or other records which may be relevant or material to the inquiry. The attendance of witnesses and the production of any such records may be required from any place in any State. The Board may apply to the United States district court for the judicial district (or the United States court in any territory) in which any witness or company subpoenaed resides or carries on business, for enforcement of any subpoena issued pursuant to this paragraph, and such courts shall have jurisdiction and power to order and require compliance.

The attendance of witnesses and the production of documents provided for in this paragraph may be required from any place in any State or in any territory at any designated place where such proceeding is being conducted. Any party to such proceedings may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted, or where the witness resides or carries on business, for enforcement of any subpoena issued pursuant to this paragraph, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this section shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States.

(B) Any hearing provided for in subsection (a)(2)(D) or under paragraph (5) of this section⁸ shall be held in the Federal judicial district or in the territory in which the principal office of the association or other company is located unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5, United States Code.

(4) INJUNCTIONS.—Whenever it appears to the Board that any person is engaged or has engaged or is about to engage in any acts or practices which constitute or will constitute a violation of the provisions of this section or of any regulation or order thereunder, the Board may bring an action in the proper United States district court, or the United States court of any territory or other place subject to the jurisdiction of the United States, to enjoin such acts or practices, to enforce compliance with this section or any regulation or order, or to require the divestiture of any acquisition in violation of this section, or for

(5) CEASE AND DESIST ORDERS.—(A) Notwithstanding any other provision of this section, the Board may, whenever the Board has reasonable cause to believe that the continuation by a savings and loan holding company of any activity or of ownership or control of any of its noninsured subsidiaries constitutes a serious risk to the financial safety, soundness, or stability of a savings and loan holding company's subsidiary savings association and is inconsistent with the sound operation of a savings association or with the purposes of this section or section 8 of the Federal Deposit Insurance Act, order the savings and loan holding company or any of its subsidiaries, after due notice and opportunity for hearing, to terminate such activities or to terminate (within 120 days or such longer period as the Board directs in unusual circumstances) its ownership or control of any such noninsured subsidiary either by sale or by distribution of the shares of the subsidiary to the shareholders of the savings and loan holding company. Such distribution shall be pro rata with respect to all of the shareholders of the distributing savings and loan holding company, and the holding company shall not make any charge to its shareholders arising out of such a distribution.

(B) The Board may in the discretion of the Board apply to the United States district court within the jurisdiction of which the principal office of the company is located, for the enforcement of any effective and outstanding order issued under this section, and such court shall have jurisdiction and power to order and require compliance therewith. Except as provided in subsection (j), no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under this section, or to review, modify, suspend, terminate, or set aside any such notice or order.

(h) PROHIBITED ACTS.—It shall be unlawful for—

(3) any individual, except with the prior approval of the Board, to serve or act as a director, officer, or trustee of, or become a partner in, any savings and loan holding company after

having been convicted of any criminal offense involving dishonesty or breach of trust.

(j) JUDICIAL REVIEW.—Any party aggrieved by an order of the Board under this section may obtain a review of such order by filing in the court of appeals of the United States for the circuit in which the principal office of such party is located, or in the United States Court of Appeals for the District of Columbia Circuit, within 30 days after the date of service of such order, a written petition praying that the order of the Board be modified, terminated, or set aside. Review of such proceedings shall be had as provided in chapter 7 of title 5, United States Code. The judgment and decree of the court shall be final, except that the same shall be subject to review by the Supreme

(l) TREATMENT OF FDIC INSURED STATE SAVINGS BANKS AND COOPERATIVE BANKS AS SAVINGS ASSOCIATIONS.—

(1) IN GENERAL.—Notwithstanding any other provision of law, a savings bank (as defined in section 3(g) of the Federal Deposit Insurance Act) and a cooperative bank that is an insured bank (as defined in section 3(h) of the Federal Deposit Insurance Act) upon application shall be deemed to be a savings association for the purpose of this section, if the appropriate Federal banking agency determines that such bank is a qualified thrift lender (as determined under subsection (m)).

(2) FAILURE TO MAINTAIN QUALIFIED THRIFT LENDER STATUS.—If any savings bank which is deemed to be a savings association under paragraph (1) subsequently fails to maintain its status as a qualified thrift lender, as determined by the appropriate Federal banking agency, such bank may not thereafter be a qualified thrift lender for a period of 5 years.

(m)⁹ QUALIFIED THRIFT LENDER TEST.—

(1) IN GENERAL.—Except as provided in paragraphs (2) and (7), any savings association is a qualified thrift lender if—

(A) the savings association qualifies as a domestic building and loan association, as such term is defined in section 7701(a)(19) of the Internal Revenue Code of 1986; or

(B)(i) the savings association's qualified thrift investments equal or exceed 65 percent of the savings association's portfolio assets; and

(2) EXCEPTIONS GRANTED BY DIRECTOR.—Notwithstanding paragraph (1), the appropriate Federal banking agency¹⁰ may grant such temporary and limited exceptions from the minimum actual thrift investment percentage requirement contained in such paragraph as the appropriate Federal banking agency¹⁰ deems necessary if—

Such amendment was carried out by striking "Director" each place such it appears to reflect the probable intent of Congress.

¹⁰See note at the beginning of subsection (m) relating to changes made throughout such subsection for references to "Director".

(A) the appropriate Federal banking agency¹¹ determines that extraordinary circumstances exist, such as when the effects of high interest rates reduce mortgage demand to such a degree that an insufficient opportunity exists for a savings association to meet such investment requirements; or

(B) the appropriate Federal banking agency¹¹ determines that—

(i) the grant of any such exception will significantly facilitate an acquisition under section 13(c) or 13(k) of the Federal Deposit Insurance Act;

(ii) the acquired association will comply with the transition requirements of paragraph (7)(B), as if the date of the exemption were the starting date for the transition period described in that paragraph; and

(iii) the appropriate Federal banking agency¹¹ determines that the exemption will not have an undue adverse effect on competing savings associations in the relevant market and will further the purposes of this subsection.

(3) FAILURE TO BECOME AND REMAIN A QUALIFIED THRIFT LENDER.—

(A) IN GENERAL.—A savings association that fails to become or remain a qualified thrift lender shall immediately be subject to the restrictions under subparagraph (B).

(B) RESTRICTIONS APPLICABLE TO SAVINGS ASSOCIATIONS THAT ARE NOT QUALIFIED THRIFT LENDERS.—

For purposes of this subclause, a savings association's home State is the State in which the savings association's total deposits were largest on the date on which the savings association should have become or ceased to be a qualified thrift lender.

(IV) REGULATORY AUTHORITY.—A savings association that fails to become or remain a qualified thrift lender shall be deemed to have violated section 5 of the Home Owners' Loan Act (12 U.S.C. 1464) and subject to actions authorized by section 5(d) of the Home Owners' Loan Act (12 U.S.C. 1464(d)).

(II) is permissible for the savings association as a savings association.

(C) HOLDING COMPANY REGULATION.—Any company that controls a savings association that is subject to any provision of subparagraph (B) shall, within one year after the date on which the savings association should have become or ceases to be a qualified thrift lender, register as and be deemed to be a bank holding company subject to all of the provisions of the Bank Holding Company Act of 1956, section 8 of the Federal Deposit Insurance Act, and other statutes applicable to bank holding companies, in the same manner and to the same extent as if the company were a bank holding company and the savings association were a bank, as those terms are defined in the Bank Holding Company Act of 1956.

(D) REQUALIFICATION.—A savings association that should have become or ceases to be a qualified thrift lender shall not be subject to subparagraph (B) or (C) if the savings association becomes a qualified thrift lender by meeting the qualified thrift lender requirement in paragraph (1) on a monthly average basis in 9 out of the preceding 12 months and remains a qualified thrift lender. If

the savings association (or any savings association that acquired all or substantially all of its assets from that savings association) at any time thereafter ceases to be a qualified thrift lender, it shall immediately be subject to all provisions of subparagraphs (B) and (C) as if all the periods described in subparagraphs (B)(ii) and (C) had expired.
